

# Porrima

**Nominal Voltage** 220-240 VAC  
**Body Materials** Aluminum Profile  
**Led Options** Osram, Seoul, Cree  
**Class** I  
**Ingress Protection** IP65

| Product Code | Power Consumption (W) | Output Lumen (lm) | Correlated Color Temperature (CCT) | Color Rendering Index (CRI) |
|--------------|-----------------------|-------------------|------------------------------------|-----------------------------|
| YL-BLD-11    | 10                    | 1200              | 3000K / 4000K / 6500K              | Min. 80                     |

| Product Code / Dimensions (mm) | L   | W   | H               | Weight (gr) |
|--------------------------------|-----|-----|-----------------|-------------|
| YL-BLD-11                      | 150 | 150 | 1000 (Optional) | 7000        |
